Bench Mounting Accessory

OPERATION MANUAL

SKU 55267

For safety reasons please carefully read and understand these instructions

The Bench Mounting Accessory is designed to fit and only be used with the Neptune, Neptune Max wood lathes. Use of this mounting plate on other lathes could cause a malfunction and risk of serious injury. If you are unsure of the use or application of this accessory, contact the technical support department of Teknatool International or your reseller. Please read the manual that came with your Nova Lathe before use and carefully follow the safety instructions before operating.

Assembly Instructions:

Flip the bed upside down onto a clean flat surface (ideally onto cardboard to protect the top surface of the bed). Screw the mounting plate into to the bed using four countersunk M12 bolts at each end of the bed. Flip bed onto the mounting plates. Screw the mounting plate into the bench using M10 coach bolts (Not Included).
